

(The following is not a verbatim transcript of comments or discussion that occurred during the meeting, but rather a summarization intended for general informational purposes. All motions and votes are the official records).

PUBLIC WORKS COMMITTEE

The August 13, 2020 regular Public Works Committee meeting was cancelled due to technical difficulties. Present were Councilmembers Hopkins, Paplauskas, Brady and Lamas; Daniel Parrillo, Director of Administration; Christopher Rawson, City Solicitor; Leanne Zarrella, City Clerk; Rosalba Zanni, Assistant City Clerk/Clerk of Committees; Heather Finger, Stenographer.

Due to technical difficulties, the link to access the zoom meeting did not work. The meeting was cancelled and upon recommendation of the Solicitor, all the items on the agenda were continued to the September Public Works Committee meeting, with the exception of the National Grid Pole Locations, which will be ratified at the September meeting.

Councilmember Vargas stated that she is not opposed to continuing the items to next month's meeting as long as a notice is posted on the City's website stating that this meeting was cancelled and all items on this agenda will be continued to the September regular Public Works Committee meeting and the reason why.
