COLLECTIVE BARGAINING AGREEMENT

This collective bargaining agreement ("Agreement") is entered into as of the 1st day of July, 2023, by and between the City of Cranston ("City") and the International Brotherhood of Police Officers, Local 301, "Union" or "I.B.P.O."). This agreement is entered into pursuant to the authority known as the Municipal Police Arbitration Act, as amended, chapter 9.2. of title 28 of the Rhode Island General Laws

SECTION I

RECOGNITION

The City hereby recognizes and acknowledges the I.B.P.O. as the sole and exclusive bargaining representative for all full time police officers of the Cranston Police Department ("Department"), up to and including police officers holding the rank of Captain for the purpose of collective bargaining and entering into agreements relative to wages, rates of pay, and other terms and conditions of employment.

The words, "member", "member of the bargaining unit", "employee", "officer", "patrol officer", "personnel", and/or "police officer" (or plurals thereof) when used in this Agreement shall mean all of the officers described in the preceding paragraph. Effective July 1, 2000, those officers holding the positions or ranks of Chief of Police or Major will be excluded as a member(s) of the bargaining unit.

All references to persons covered by this Agreement, as well as the use of the pronouns are intended to include both sexes. When male pronouns are used, they shall be construed to include both male and female officers.

SECTION 2

NON-DISCRIMINATION RELATED TO UNION ACTIVITY; UNION SECURITY

A) The City agrees that it will not discharge or discriminate against a member of the bargaining unit certified by the Rhode Island State Labor Relations Board as a result of membership or lawful activity in or on behalf of the I.B.P.O. The City and the I.B.P.O. further agree that there will be no discrimination against any employee for declining membership or refraining from engaging in any activities of the I.B.P.O. protected by the Rhode Island State Labor Relations Act.

B) All employees who elect to become bargaining unit members shall pay membership dues set forth by the I.B.P.O. If an employee elects not to become a member of the bargaining unit or does not elect to pay an agency fee, he/she shall not be entitled to representation from the I.B.P.O.

C) The Employer and the Union agree to continue policies of non-discrimination

on the basis of an individual's race, color, national origin, religious affiliation, gender, age, or sexual orientation and preference.

SECTION 3

DUES AND AGENCY FEE DEDUCTION

Upon receipt by the City of a signed, voluntary authorization form from an employee, the City agrees to deduct Union membership dues levied in accordance with its constitution and bylaws, or the agency fee established in this Agreement from the pay of said employee and remit the aggregate amount to the designee of the I.B.P.O. Such remittance shall be made contemporaneously with the distribution of payroll checks to employees. An employee may revoke their authorization by sending a signed written notice thereof to the City, which shall send a copy of said revocation to the President of the Union.

The Union shall indemnify and hold harmless the City and any of its agents, representatives and employees performing required duties of the City against any and all claims, suits, orders and judgments of any nature brought or issued against the City as result of its compliance with the dues and agency fee provisions of this Agreement, including, without limitation, all costs and reasonable counsel fees.

SECTION 3.5

MANAGEMENT RIGHTS

The City hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws of and constitutions of the State of Rhode Island and of the United States, the Cranston City Charter and all other applicable law. The rights, powers and duties of the Chief of the Department shall be exercised consistent with Section 9.02 of the Cranston Charter.

Additionally, except to the extent there are express and specific provisions to the contrary, contained in this Agreement, all authority, powers, rights, jurisdiction, and responsibilities for the management and direction of the officers and other employees of the Cranston Police Department ("Department") are vested, retained and reserved exclusively to the City. The City may promulgate policies, general orders and rules and regulations governing the official conduct of the officers of the Department in the discharge of their public safety and law enforcement functions.

SECTION 4

SENIORITY

A) (1) Department Seniority shall be defined as an employee's length of continuous service in any bargaining unit position covered by this Agreement. Department seniority shall commence on the date of appointment as a police officer. If multiple officers are conditionally hired and they all attend the Rhode Island Municipal Police Academy (RIMPA) at the same time, their seniority shall be determined on how they rank in the Academy. Any officer that is hired from another Municipal Police Department and has already been certified as a Police Officer, shall have seniority rights over those officers that have/had been conditionally hired. If two (2) officers have been hired from other Municipal Police Departments at the same time, their seniority shall be determined by their civil service scores. Seniority shall be computed according to continuous service from the date of original appointment by the City. "Rank seniority" shall commence on the date an officer is sworn into a particular rank and shall be computed according to continuous service within that rank.

Notwithstanding the above definition of seniority, an employee's seniority shall be terminated and his seniority rights forfeited for the following breaks in service:

- a. Discharge, resignation or retirement.
- b. Failure to return to work following the expiration of an approved leave of absence without prior authorization.

In addition, if an officer is suspended without pay he/she will be required to work, prior to his/her retirement and for pension purposes only, an amount of time that is equivalent to the amount of time that he/she was suspended without pay, in order to receive pension service credit in an amount equivalent to the length of said suspension without pay; provided, however, in lieu of working said additional time the officer shall have the option to tender payment, within ninety (90) days from the date of reinstatement to full duty from said suspension without pay, of a lump sum in an amount equal to the pension contributions not paid by him/her during the suspension without pay, in order to receive said pension credits. In the event the officer's suspension without pay is reversed on appeal and back-pay is ordered, the aforementioned pension contributions shall be made a part of the back-pay award and the officer shall receive full pension credit for the time in question without the requirement to work additional time.

Police officers' seniority rights shall apply in the selection of shifts, beats or posts, days off, holidays, vacation and transfers to any divisions. Provided further, that the Chief of Police may subject the successful senior bidder to a trial or probationary period; and provided further, that transfers to any specialty unit that may be formed during the term of this Agreement shall be made to the senior employee who successfully completes the requisite trial or probationary period attached to the position and the required training in the bid. This section applies to all members and positions unless otherwise specified in the Collective Bargaining Agreement.

Any successful bidder to any other position will be subjected to the pertinent trial

or probationary period described in the bid. Any successful bidder disqualified and removed from his position after a trial or probationary period may seek review of that disqualification through the grievance procedure; provided however, that an arbitrator shall have no authority to disturb the City's disqualifications and removal of an officer unless it was arbitrary or capricious.

A) Specialty Teams

Effective upon the signing and ratification of the collective bargaining agreement:

1. All members shall be limited to being on one (1) of the following Specialized Teams: Special Reaction Team, Under Water Recovery Team, and Honor Guard. All members assigned to these above-mentioned specialized teams shall remain on said teams.
 - a. Special Reaction Team - Transfers to or the filling of vacancies in the Special Reaction Team shall be solely made from an eligibility list based on qualifications, fitness and ability as determined by the City through a merit-selection process which comports with prevailing national standards for such units; provided, however, such national standards shall be acceptable by both the City and the I.B.P.O.
 - b. Underwater Recovery Team – Members shall be selected by seniority upon the successful completion of an agility test set by the URT Commander. Operation and supervision of the Harbormaster vessel shall fall under the general duties of the Underwater Recovery Team.
 - c. Honor Guard - Shall maintain a minimum of fourteen (14) members by seniority at all times. The Chief of Police or designee may select up to an additional five (5) members by a selection process not subject to seniority. The members selected by this process shall be at the discretion of the Chief of Police or designee. All members cannot be removed without "Just Cause" which shall be in writing by the Chief of Police or designee.
 - i. All vacancies which were created by members originally selected through the seniority bidding process, shall be filled by members via the seniority bidding process.
 - ii. All vacancies which were created by members originally selected through the Chief of Police "Selection Process", shall be filled by members via the Chief of Police "Selection Process".
 - iii. All Honor Guard assignments shall be distributed equally amongst all Honor Guard members to include members selected by seniority and by the Chief of Police.
 - d. Explorer's Program – Shall consist of a minimum of four (4) members by the seniority bidding process to include: one (1) Lieutenant, one (1)

Sergeant and two (2) Officers/Detectives.

The Chief of Police may select any member of the Command Staff to oversee this program.

To increase diversity in the Explorer Program, up to two (2) annual appointments may be selected by the Chief of Police which will not be restricted by seniority. These appointments are intended to reflect departmental and program needs. An appointment does not preclude a member from being selected consecutively.

- e. Peer Support Team- Selection of members for the peer support team shall be initiated by the Chief of Police or designee by requesting nominations from all Officers. Members of the department may nominate any Officer within the department they believe would effectively serve in the capacity as a peer support team member. The Officers who are nominated by their peers will be contacted to inform them of their nomination and ascertain if they wish to be considered for a position on the team. The Chief of Police or designee shall review the list of nominees submitted then select the candidate he/she believes is most suitable regardless of seniority, to include but not limited to addressing any need for representation within a certain division or a demographic within the department. If no suitable nominations are received, the Chief of Police reserves the right not to fill the position on the team at that time and may request that additional nominations be submitted. The Chief of Police has ultimate discretion of selecting Officers for the peer support team and its operating structure; he/she can create positions at any time and remove all current and future members for "just cause". For this section only "just cause" shall be determined as any issues that could result in departmental discipline and lack of participation in team meetings/events. Also, if a member is chosen to represent a certain division on the team and later transfers, or gets promoted during the time period and no longer fits the need of the peer support structure, he/she could be removed by the Chief of Police or designee.**

- 2. All membership to any Specialty Team shall be based on departmental seniority unless otherwise specified in this agreement.**

B) FTO (Field Training Officer)

The deployment and assignment of the FTO will be under the Rules and Regulations set by the Chief of Police or their designee. The deployment of FTO's shall not be based on seniority. In order to qualify as an FTO, the officer must successfully complete the FTO School, as set forth in the School/Seminars section of this agreement

- C) All job/bids shall be published via an email sent to the officers from the Chief of Police or their designee on two (2) consecutive days. Personnel interested in a**

vacancy must reply via email within four (4) days after the bid was published a second time. Notwithstanding the aforementioned, the Union and the City agree the time and notice provisions may be waived if agreed upon by the parties and the City may utilize a telephone bid process when necessary.

- D) A senior officer may reject the award of a bid to a vacancy at his discretion without the need of any explanation. Further, in the event that an employee shall reject the position, it shall not be construed as a waiver of his seniority rights in any subsequent situation where seniority would prevail. Bids for vacancies may be withdrawn at any time prior to bids being awarded.
- E) In the event that more than one member was appointed to the department or to a rank on the same day, then the relative seniority of said members shall be determined by their results on the departmental examination or relevant promotional process.
- F) If an employee is subjected to a trial period, a monthly progress report will be made by the employee's supervisor, a copy of which shall be furnished to the employee, Chief of Police and Director of Personnel.
- G) Within thirty (30) days after the execution of this Agreement, the City shall furnish the Union and the Department with a copy of the proposed seniority list and the Union and/or the Department will have thirty (30) days in which to make any corrections or changes in said list and signify their approval thereof. After the order of seniority has been approved by the Union and the Department, a permanent and up-to-date list shall be posted and maintained on a bulletin board at police headquarters for the benefit of all police officers and all future seniority questions shall be resolved in accordance therewith. The City also agrees to furnish to the Union an up-to-date seniority list, a copy of which is posted on said bulletin board.
- H) The provisions of this section shall not have any retroactive effect.
- I) Upon completion of one year's service, police officers who have entered the service of the Department through a federally funded program shall be placed on a permanent shift according to seniority, their seniority date being the date on which they were first employed under the federal program.
- J) After awarding a bid, the transfer of personnel shall be made in twenty (20) working days when practicable.
- K) Upon an officer's written request and approval of the officer in charge, ("OIC"), the officer's work schedule may be altered within his regularly assigned shift, unit and division.
- L) Recruitment

seniority for sub sections a and b listed directly below.

- a) **Recruitment Testing and Selection Process:** a time period agreed upon by the City and Union, which the City attempts to recruit police applicants and conducts various phases of the testing and selection process for the purpose of generating a certified eligibility hiring list. The remaining half of the ranking and/or non-ranking officers may be chosen at the discretion of the Chief of Police or designee.

SECTION 4.5

A) Vacancies in patrol and officer's ranks shall be filled within twenty-five (25) days after the vacancy occurs, provided an eligibility list is in effect. A vacancy shall be deemed to have occurred on the day following an employee's removal from the payroll. The City shall ensure there is an active hiring list in place or be actively engaged in the testing process, not to exceed six (6) months.

B) Notwithstanding the language of subsection, A), the City shall have the unilateral right to maintain up to ten (10) vacancies through December 31, 2023. All promotions shall be made in accordance with the CBA.

Thereafter, vacancies shall be filled in accordance with the provisions of subsection A) above, meaning beginning June 30, 2026 all vacancies in patrol and officer's ranks shall be filled unless mutually agreed upon by both parties. All promotions shall be made in accordance with the CBA.

D) Notwithstanding the language of subsection, A), B) and C) the Union and City upon mutual agreement may maintain up to one (1) additional vacancy through June 30, 2026. Thereafter, vacancies shall be filled in accordance with the provisions of subsection A) above, meaning beginning June 30, 2026 all vacancies in patrol and officer's ranks shall be filled unless mutually agreed upon by both parties. All promotions shall be made in accordance with the CBA.

SECTION 5

TEMPORARY SERVICE OUT OF RANKS

- A) If any on duty officer is ordered to temporarily assume the duties and responsibilities of an officer of a higher rank, and if an officer assumes and performs those duties for four (4) consecutive hours or more, he shall be compensated for any such service at the rate of said higher rank. The selection of the on duty officer shall be selected by a rotating seniority list. This provision shall not apply to an officer who is assigned to light duty.
- B) In any case where an employee serving out of rank contracts an illness or suffers an injury in the performance of his duty, he shall be entitled to all benefits provided by R.I.G.L. 45-19-1, including pay at the rate he was receiving while serving out of rank. In the event an employee so disabled is subsequently placed on disability pension, his/her pension shall be based on the pay of the person that he/she was filling in for.
- C) When a supervisor of the rank of Sergeant or above is absent from duty for more than 12 working days for reasons such as, but not limited to IOD, sick leave or vacation leave, the City will have the right to replace such supervisor with an acting supervisor from the proper promotional list. When a promotional list is active and certified, the number one (1) ranked officer will be selected off that list to fill in for the vacant supervisor's position until that supervisor returns to work. If more than one position is vacant in a certain rank the next officer on the active and certified promotional list will be picked and so on.
- If officers are being used off an active and certified list and that list should expire, the officers off the expired list will keep acting out of rank until a new active and certified promotional list is made. Senior police officer to sergeant, senior sergeant to lieutenant and so on.

If the senior Sergeant refuses the acting Lieutenant/OIC, the next senior Sergeant shall be offered those duties. If all Sergeants refuse the duties of the acting Lieutenant/OIC, those duties shall revert to the senior Sergeant.

If the Patrol Lieutenant and the Administrative Lieutenant are both working and the Patrol Captain is scheduled, but not working, the Administrative Lieutenant regardless of rank seniority will assume the acting out of rank for the Captain and shall perform all duties to earn out of rank compensation.

If the Patrol Captain and Administrative Lieutenant are both scheduled, but not working, the Patrol Lieutenant shall assume the acting Patrol Captain duties.

SECTION 5.5

TEMPORARY POSITIONS, BIDS AND TRANSFERS

A) No position shall remain temporary for a period longer than one hundred eighty (180) calendar days, with the exception of a position put up for bid due to an extended illness or injury on duty or the temporary transfer of personnel to an outside law enforcement agency.

B) The City recognizes that the collective bargaining agreement must be adhered to unless the Union agrees on a case by case basis that an officer may be transferred temporarily for a period not to exceed four (4) weeks to a division so he/she may work on information that he/she has developed. It is the intention of the parties that the agreement set forth in this Subsection (B) is for the transfer of officers for the purpose of working with informants or to investigate their information for that four (4) week time period in an attempt to successfully develop a criminal case leading to an arrest. The Union recognizes that on certain occasions the transferred officer will need an additional time period to complete his/her investigation. On these occasions the City will ask the Union for permission for the extension and the Union shall have the exclusive right to allow or deny the extension request.

The City also recognizes that this type of temporary transfer is for information that an officer develops and it is not to be used to circumvent the bidding or seniority clauses agreed upon in the collective bargaining agreement.

The Union may at any time and without cause remove itself from the agreement set forth in this Subsection (B) and upon that happening, the City will follow all the provisions of the collective bargaining agreement regarding the transferring of personnel; provided however in the event the Union removes itself from the agreement set forth in this Subsection (B) any officer then currently on an assignment pursuant to said agreement shall be permitted to complete the four (4) week period or any extended period that the Union may have agreed upon.

C) Transfers to all temporary positions shall be governed by seniority, except where there is an over-riding reason to utilize special skills or abilities.

D) **INSTRUCTORS** - An officer may be temporarily transferred for the purpose of instructing at a Cranston Police Department or Rhode Island Municipal Police Academy training. The officer must have completed an instructor course for the subject or content he/she is instructing.

Officers that are transferred and are serving in an instructor capacity will be considered on "Special Assignment" if it is a day that they are scheduled to work. Officers conducting the training will receive a stipend of two (2) hours of Compensatory Time if the training is four (4) hours and four (4) hours of Compensatory Time if the training is eight (8) hours. If the training lasts longer than eight (8) hours instructors will receive 1.5 hours of Compensatory Time or (1) hour Overtime for each additional hour.

When Officers acting in the capacity of an instructor are completing the training on a regularly scheduled day off they will receive 1.5 hours of Compensatory Time per each hour worked with a minimum 4 hour callback.

Officers may serve as instructors at the Citizens Police Academy and/or Explorer Program at the request of the Chief of Police or his designee. Officers that are transferred to serve as instructors for the Citizens Police Academy and/or Explorer Program, will be compensated via comp-time at the same rates listed above.

SECTION 6

PROMOTIONS

All promotions within the Police Department shall be made in accordance with the procedure established by the City Charter of the City of Cranston adopted November 6, 1962.

A.) Rank Requirements

The following time requirements shall be met to be eligible for promotions for each of the following ranks:

Police Officer must have five (5) complete years of service from date of swearing in with the Cranston Police Department at the deadline of the application process to be eligible to apply for the Sergeants promotional examination.

Promotion from Police Officer to Sergeant, at least five years' time in grade.

Promotion from Sergeant to Lieutenant, at least one-year time in grade.

Promotion from Lieutenant to Captain, at least one-year time in grade.

Promotion from Captain to Major, at least three-year's time in grade.

Promotion from Captain or Major to Chief of Police, at least three-year's time in grade.

A member shall not be eligible to participate in the promotional process unless that respective member shall have served in the rank one below that for which

the test is being administered. For example, a member must be a Patrol Officer to take the Sergeant's examination, a member must be a Sergeant to take the Lieutenant's examination, a member must be a Lieutenant to take the Captain's examination, and a member must be a Captain to be eligible for Major or Chief. A member acting in rank who is not actually promoted to that rank, shall not be considered having served in the next lowest rank for the purposes of this section. Furthermore, a member must have been promoted to the next lowest rank on or before the date of the deadline of the application process by the City, to be eligible to participate in that promotional process. A member shall not be promoted without passing the respective test for rank as stated herein.

B.) Promotional Process

The written examination shall be administered by the Director of Personnel or designee of the City of Cranston. The promotional process shall consist of two phases which include a written examination and an oral board interview. The written examination shall account for sixty-five percent (65%) of the total grade. The oral board interview shall account for ten percent (10%) of the total grade. Candidate evaluations shall account for five percent (5%) of the total grade. The remainder of the process shall account in the following manner: seniority shall count for twenty percent (20%) of the candidates score split between department seniority and rank seniority which is defined in the sub-sections below. A passing grade of seventy percent (70%) on the written examination must be attained for the candidate to proceed with the promotional process.

1. Written Examination

All employees shall be given at least sixty (60) calendar days' notice that a new promotional exam is to be administered. A posting in the police station and a departmental email will be sufficient notice for all employees.

Written examination shall be obtained from any recognized police testing service and shall be delivered to the Personnel Department and stored in the vault in that department. The package shall remain sealed until it is opened in front of all examination candidates and the examination shall be administered immediately thereafter.

The written examination shall be comprised of three (3) sections: departmental policies, and procedures, Rhode Island General Laws Titles 11, 12, 21, and 31, and one (1) management level book chosen by the city. In addition, the examination shall not consist of any questions regarding sentencing guidelines. The testing company shall ensure the written examination clearly states which source materials were utilized for the grouping of questions. No scaling of marks shall be allowed.

Upon completion of the written examination, the Director of Personnel or designee shall retrieve the completed answer sheet and commence grading using a scantron machine in the presence of the candidate. A member of the IBPO Local 301 Executive Board may be present to oversee the process. The scores given will only be a preliminary

score and still will need to be reviewed by the testing company. The examination shall be photocopied immediately upon completion of the final examination. The originals shall either be placed in a sealed envelope and sent "overnight and certified" mail through the United States Postal Service, emailed, or hand delivered the same or next business day. The photocopied versions shall be placed in a sealed envelope and stored in the Personnel Department Vault. The testing company shall upon receipt of the original examination be given five (5) business days to complete the review and provide an official score. The testing company shall either return the official results via "overnight and certified" mail through the United States Postal Service, emailed, or hand delivered the same or next business day. The Director of Personnel or designee shall provide each candidate their individual score and keep all scores confidential until the completion of the oral board interviews. The IBPO Local 301 shall have the right to exclude any testing company for future considerations in the event of any contractual violations.

a. Written Examination Challenge Period

- i. Immediately upon return of the official written examination scoring to the Personnel Department, notification shall be made by the Director of Personnel or designee through departmental email to all candidates. The notification shall clearly state the start and end date of the challenge period which shall commence at the start of the next business day and last for seven (7) consecutive business days.
- ii. All candidates shall be allowed to review their written examination prior to advancing to the oral board. The city shall provide the candidate the ability to challenge any question they deem incorrect by the company administering the examination. A form shall be provided by the Director of Personnel or designee to the candidate that must be completed for each contested question. The testing company must provide the section and page of the source material where the correct answer is located.
- iii. Upon completion of the challenge period, the contested questions shall either be placed in a sealed envelope and sent "overnight and certified" mail through the United States Postal Service, emailed, or hand delivered the same or next business day to the testing company for review. The testing company shall have five (5) business days to complete the review. All objections shall be put into three (3) categories which are listed below:

Category 1: The test question is determined to be a valid question and the answer was corrected properly. In this case the testing company makes no change from their initial scoring process.

Category 2: The test question is determined to be a valid question, but the answer was clearly marked incorrect by the testing company on their official scoring answer sheet. In this case, the testing company will reflect the score change on all

candidate's test scores affected. The testing company will indicate "human error" as the reason and give written notification of the correct answer.

Category 3: The question is determined to be an invalid question. The question shall be deemed an invalid question for either not being on the source material or the question has no correct or multiple correct answers. In this case, the testing company will eliminate the question from the scoring process for all written examinations. If a test question is eliminated because of any reasons listed in category three the overall score of the test shall be based off one less question and the change in scores shall be reflected in all candidates scores. For example, if one question is eliminated, that question is eliminated for all the candidates and the written examination shall be based off a total score of ninety-nine (99) instead of one-hundred (100) and so forth.

The testing company shall either return the official result of the review via "overnight and certified mail" through the United States Postal Service, emailed, or hand delivered the same or next business day. Immediately upon receiving the results, official notification shall be made by the Director of Personnel or designee through departmental email.

2. Oral Board Interview

Upon successful completion of the written examination, all eligible candidates shall participate in an oral board consisting of a three (3) member panel. The panel shall consist of the Chief of Police and two (2) Command Staff members of his/her choice. - Commitment:

The task force officer shall have a minimum commitment of three (3) years to the position, and shall report to the Detective Commander on a regular basis. If the task force officer elects to bid to a new permanent position outside of patrol, the task force officer must vacate the task force position at the minimum commitment date or immediately if the minimum commitment date has already passed.

Investigators assigned to a Task Force will work the hours designated by the Task Force Supervisor.

SECTION 9.2

Canine Unit

All Canine Officers shall be non-ranking Officers assigned to the Canine Division. The Canine Division shall consist of a minimum of three (3) Canine Officers effective upon ratification of this agreement. Once the minimum required number of Canine Officers is established, the city shall not be held to the minimum staffing requirements that occur through attrition. The effective date may be extended up until July 1st, 2024 if mutually agreed upon with the union.

Selection Process

Upon the Canine Officer Position being posted for bid, interested Officers/Detectives shall submit a letter of interest and resume to the Chief of Police or designee. A physical agility assessment chosen by the Chief of Police or designee shall be held and must be successfully completed. From those applicants, the Chief of Police or designee shall choose an Officer/Detective to become a member of the Canine Division. That selection shall not be based on seniority.

Commitment

All Canine Officers shall be subject to the "work-life" of the canine unless the Canine Officer accepts a promotion. SECTION 9.3

HOURS

A) As of July 1, 1999, the regular work schedule for all members of the Department, except the Chief, Major and the Captains, shall be a six (6) day cycle of four (4) consecutive working days of eight hours followed by two (2) consecutive day off.

Any other position currently staffed on a five (5) and (2) Monday through Friday schedule shall remain as such. Nothing in this section shall require the Chief of Police to fill any vacancy that occurs. If the Chief of Police chooses to increase the number of positions within any unit, this shall not apply.

The City agrees that all listed positions with a five and two schedule with weekends

off are entitled to eighteen (18) compensatory days off per year to equalize the amount of hours and days worked as those officers that are on a four and two day schedule.

SECTION 10

SUBSTITUTIONS

Upon an officer's advance written request, the privilege to switch with oneself may be granted by the Division Commander or his or her designee in his/her discretion. The term switching with oneself shall be defined as the ability to flex or modify one's day off schedule. This will be governed by Management and only be permitted when staffing levels allow for it.

Any officer may substitute with another officer, in the same division and work assignment after having been approved by the Division Commander or the Division Commander's designee. The substitution shall not be refused by the Division Commander or his or her designee without just cause.

Patrol Personnel

Compensatory time, Vacation time and Personal days shall all be weighted equally. All time requested outside 72 hours from start of shift shall not be subject to call back unless a State of Emergency has been declared by the Mayor of Cranston or an overriding public safety emergency exists. This section shall also apply to Supervisors assigned to the patrol division who shall be considered patrol personnel.

For this section "specific shift" refers to an eight-hour shift on an individual daily basis for first, second and third shift in the uniform division assigned to the patrol division. Compensatory time, Vacation days, Personal days, Training days, and Sick time all take precedent over an officer switching with himself or herself. Switching with oneself shall not be permitted if when doing so will bring staffing to a level that will require the need for overtime for that specific shift. The Union agrees that members shall not be able to enter a personal day or a (non-pick) vacation day if when doing so creates the need for overtime on that specific shift. The Union agrees that members shall not be able to enter any accrued time (other than sick time if the member is sick) if when doing so creates overtime for more than two positions (even if Federal Guidelines allow for such) on that specific shift. The city shall allow members to enter compensatory time up to the agreed upon standard which is spelled out above.

Patrol Supervisors fall under patrol personnel staffing guidelines as set forth above. Patrol Supervisors shall be allowed to request compensatory time off outside of the 72-hour time frame to fill a vacancy. An additional vacancy may be requested within the 72 hours' time frame, subject to the approval of the Chief of Police or designee. If it is determined that there is a need for additional personnel on a specific shift the Chief of Police or designee may increase the staffing compliment for that specific shift and limit the ability for officers to enter time off on a temporary basis. That may only occur when the particular need arises. Such need shall be established if an event occurs or is

scheduled which creates an overriding public safety need.

All members are required to check in with the officer in charge one hour prior to the start of the shift that they took off to see if their day off is still approved. Switches by a member with himself or herself may be cancelled up to one hour before the start of the shift that the member requested off. Members assigned to the 2245 and 2345 shift are required to be available for call back up to 1800 hours on the day of the shift they requested off. A member may be ordered back to work even if the member has already worked on their day off. If the member is ordered back to work on the day they requested off, then the member will be given the next available day off that they choose.

All switches with oneself must be completed within one pay period. Substitutions will be recorded in the computerized Departmental attendance records, in the same fashion as compensatory time requests

SECTION 11

OVERTIME

Effective upon the signing and ratification of this collective bargaining agreement:

A) All employees will be compensated for hours worked in excess of their normal tour of duty at the rate of time and one-half. For the first overtime hour, any time worked over fifteen (15) minutes and up to one (1) hour will be compensated for as one (1) full overtime hour. For any overtime hour thereafter, any time worked over one-half hour will be compensated for as a full overtime hour. Members shall have the right to receive compensatory time accrued at the same rate as listed above, in lieu of overtime pay. Employees shall be able to accumulate up to 480 hours of compensatory time. It is expressly understood by the parties hereto that hours worked on special non-City details will not be counted in determining the numbers of hours worked for overtime purposes.

Deferred Leave Benefit

A sworn officer at any time in lieu of overtime or compensatory time shall have the option of receiving a deferred leave benefit. The benefit time bank shall be monitored separate and apart from compensatory time, vacation time and personal time. All sworn officers shall be eligible to participate. Contributions to the deferred leave bank shall be a sworn officer option only. At no time shall the city offer deferred leave time in lieu of overtime or compensatory time. Due to the deferred leave benefit being a sworn officer option only, that the city can't offer out as a benefit, the employee accepts the following terms:

1. All of the accumulated time in the deferred leave bank shall be used prior to sworn officer's retirement date unless otherwise specified below.
2. Any deferred leave benefit time not used by sworn officers by date of traditional retirement shall be forfeited back to the city with the only exception being a death by an active sworn officer.

3. Once a sworn officer requests to start the use of deferred leave time it will run until the account has a zero balance.
4. After the Sworn Officers request to start running deferred leave time, a retirement date shall be established once the account starts to run. The retirement date shall be based upon the date account reaches zero balance.
5. Once the request is made by sworn officer to run deferred leave time and the time starts to run, the retirement date is final and shall not be changed.
6. When the police department is at full staff the sworn officer shall be permitted to start the running of deferred leave time in January, February, March, July, August and September.
7. When police department is at full staff, a sworn officer needs approval from the City to start running deferred leave time during April, May, June, October, November and December.
8. If the police department is not at full staff the sworn officer shall be permitted to start the running of deferred leave time at any time.
9. An officer shall be allowed to earn up to 120 hours of deferred leave time. An officer may be allowed to contribute to and/or earn more than the 120 hours but any time over the 120 hours shall require the permission of the Chief of Police or designee. Officers shall be allowed to keep and maintain all deferred leave benefit time accumulated.
10. Officers shall have the option of converting compensatory time to their deferred leave benefit. A scheduled work day is equivalent to 7.5 hours of deferred leave time.
11. Officers who return unused sick time to the city shall have that sick time converted toward their deferred leave bank or upon request of the officer, with the Administration's approval, be placed in the regular compensatory time bank. Every sick day returned over the established maximum allowed to be carried over at the end of the year shall be converted in the following manner. Every sick day returned shall be equal to 1.5 hours of deferred leave benefit.

In cases where a sworn officer is injured either in the line of duty, or off duty, the city and union agree to the following process. The officer on IOD status or light duty status shall not be eligible to contribute to the deferred leave bank until a return to full active status. If the injured officer applies for an occupational or non-occupational disability that officer shall be eligible to collect financial compensation for a maximum of 120 hours of the accumulated time of his/her deferred leave benefit when disability pension is accepted.

B) Overtime in the Patrol Division (for all Uniform Members of the Patrol Division – including supervisors which shall be rank specific) will be distributed in the following manner:

- 1.) The list shall begin with all patrol officers by seniority with the officers being assigned a number indicating his/her position on the list. The senior officer will be assigned the lowest numeric list position and the junior officer will be assigned the highest numeric list position, it will remain continuous and never reset.
- 2.) When an overtime shift is awarded the officer will move to the bottom of the

list and now obtain the highest number available.

- 3.) Every overtime shift work counts as one turn and all officers will be rotated equally based on shifts taken not hours worked. Any officer who chooses to split an overtime shift will be responsible for four (4) hours and shall be assigned the highest number available.
- 4.) When a vacancy in the patrol ranks occurs, the overtime shall be filled within a maximum of 48 hours in advance of the start of said shift.
- 5.) If an officer is awarded an overtime shift, the officer may return the overtime before the start of the shift. That officer will be responsible for working said overtime shift until it is officially filled by another officer. The officer returning overtime will remain in the same numeric list position as he/she was after being awarded the overtime.
- 6.) All officers will not change list positions for a refusal of overtime or being out sick.
- 7.) All new hires upon completion of their FTO Program as well as any transfers between units will be assigned the highest number available on the list.
- 8.) All officers working patrol overtime to fill a vacancy shall be compensated at the highest overtime rate for non-ranking members or at the rank the member has attained.
- 9.) All non-ranking officers that are forced to fill a patrol vacancy shall not lose their current overtime list position.

If an officer has an assigned detail, he/she may not transfer from the assigned detail to overtime work unless the entire list in his/her category is first exhausted.

C) Officers working overtime for vacancy coverage shall not be assigned until after all the officers working their regular tour of duty have been assigned.

D) Call back of supervisors due to manpower shortages will be as follows:

If the scheduled Lieutenant is working, a Sergeant will be called back. If the scheduled Lieutenant is not working, a Lieutenant will be called back. On the two day shifts where there is no regularly scheduled Lieutenant, if there is a vacancy, a Sergeant will be called back to fill the vacancy.

1) After the regular working hours and on weekends where there are no Captains scheduled to work, a "Duty Executive" will be called for such circumstances as promulgated by the Chief of Police or his designee. The Captains may be available for this Duty at the discretion of the Chief of Police or designee.

2) The "Duty Executive" that is called back will appraise the circumstances

of the callback and notify the Chief of Police first and then if necessary he will notify the Captain of the respective division who normally performs that work during the course of their workweek to appraise him of that situation. If an immediate follow-up is necessary, as determined by the Division Commander or "Duty Captain", the Captain whose duties fall under that realm of responsibility may be called back to direct and supervise that investigation.

3) The "Duty Executive" that is called back to work shall be compensated under the guidelines of Section 12, titled Callback.

4) Any changes of this section shall be negotiated between the Union, Local 301 and the City of Cranston.

SECTION 12

CALL BACK PAY

A) Employees called back to duty for any reason shall be compensated at least four (4) hours at the overtime rate of pay set forth in Section 11. If an officer is not required to provide services for four (4) hours, the officer will be released immediately upon completion of the original call back assignment and will be paid for four (4) hours.

Officers who receive multiple court appearance notices will only receive one (1) minimum four (4) hour payment and will not be entitled to receive multiple four (4) hour minimum payments for each noticed court appearance; provided however, officers who receive multiple court appearance notices for attendance in court on the same day but for different four (4) hour time periods shall be entitled to receive multiple four (4) hour payments (i.e. if an officer receives court appearance notices for 9:00 A.M. and 1:30 P.M. on the same day, he/she may be entitled to the receipt of at least two (2) four (4) hour minimum payments), and officers who are in attendance in court for more than four (4) hours for a court appearance are entitled to the receipt of more than one (1) four (4) hour minimum payment (i.e. if an officer receives two (2) or more court appearance notices for 9:00 A.M. on the same day and is required to stay in attendance in court for one (1) or more of said appearances until 3:00 P.M., he/she is entitled to a four (4) hour minimum payment plus the additional two (2) hours of pay).

SECTION 13

SPECIAL DETAILS

- A. Any employee who is assigned to a private or special detail shall be compensated at the rate set by the Union, which shall not exceed the rate of time and one-half the highest police officer's rate of pay, unless specified below, and shall receive a minimum of four (4) hours pay. Any detail worked more than five (5) hours and less than eight (8) hours shall be paid for the full eight (8) hours. When an individual officer has worked more than eight (8) hours on a single detail, any additional hours worked on that detail shall be paid at time and one-half of the daily specific detail rate. Any time worked by the detail officer shall be compensated at a full hour's rate. If any portion of that hour falls under a special detail rate, the higher detail rate shall apply. This applies to the pay scales of City or private contractors (this doesn't apply to those details which are split and individually worked less than eight (8) hours). The Union shall give the City thirty (30) days' notice of any increase of the detail rate. If a supervisor is in charge of a special detail, he/she shall receive five (\$5) dollars per hour above the detail rate specified above. An Officer in Charge will be assigned to all details when at least three other officers are working that same detail. The number of officers required to work prior to an OIC being appointed does not apply with regards to road construction details, which has been the practice in the past. The Chief of Police may at times with just cause assign an OIC temporarily to a particular detail regardless of the number of officers assigned. If the Chief of Police exercises his authority, an OIC will be assigned to that particular detail. However, this assignment will not exceed one hundred and twenty (120) days. This assignment may, however, be terminated earlier than one hundred and twenty (120) days, and at that point the detail will be assigned normally by the detail officer.

The following shall not be subject to the minimum eight (8) hour payment requirement for Special Details: St. Mary's Feast Society, Annunciation Greek Orthodox Church, School Security Details, Parades (city sponsored), and VIN Inspection Detail, or any other special detail that is mutually agreed upon by the City and the Union.

1. "Just cause" regarding this section means the following: When the vendor assigned a detail has been in violation of the State liquor laws or other serious violations of City ordinance, or when there have been numerous violations of State law which has been documented by official police reports or arrests.
2. The Chief of Police may not arbitrarily or capriciously invoke his authority in regards to this section. The Union reserves the right to grieve any specific incident which it feels violate the spirit of this Agreement.
3. An arbitrator chosen to hear a grievance filed alleging a violation of this section shall have authority to order preemptory assignment of details as a remedy and to remove as assigning officer, or any person who the arbitrator finds is willfully making inequitable distribution of special details. No details shall be distributed to any employee during the period such employee is on sick leave or injury-on-duty leave and until he/she has returned to duty;

- provided, however, that an employee on, other than the day shift, who has notified headquarters that he/she is returning to active duty on the evening shift, may be eligible for the distribution of a detail on the day he/she is returning to duty. Any officer assigned to light duty shall not be eligible for details, with the exception of Dispatch details, during the period of light duty.
4. Whenever an officer of the Department who has been assigned to private or special detail is injured in the course of such detail, he/she shall be compensated by City for all medical and hospital expenses, etc., and also the regular rate of pay is to be continued during the period of incapacity as provided by R.I.G.L. § 45-1 9-1.
 5. The Executive Board of the Union shall review manpower assigned to special details and make recommendations which shall be considered by the Chief.
 6. The City of Cranston shall issue separate bi-weekly checks for all City-paid and or private details.
 7. All road construction details within the City of Cranston requiring the stopping or rerouting of traffic and requiring the use of traffic control personnel will be filled by police officers from the active detail list or callback list at the discretion of the Chief of Police.
 8. An officer must complete the Field Training Process and be cleared by the Chief of Police or designee to be eligible for special details.
 9. When an officer has an infraction in reference to a detail, which he/she will ultimately be suspended for, the Police Administration will suspend such officer within thirty (30) days from being notified of the said infraction.
 10. The Union agrees that the City may charge an administrative fee to those organizations, companies, contractors, and other vendors who shall request, order, and/or use any police details. The administrative fee shall be a payment made to the City by the aforementioned organizations, companies, contractors, and other vendors in order to pay for the administrative costs associated with detail work, and said fee shall not be paid as additional compensation for police officers working said details. Said administrative fee shall be paid by the aforementioned organizations, companies, contractors, and other vendors in addition to the payment of the detail rate set forth in this Agreement. The administrative fee shall not exceed \$5.00 per hour for each detail hour worked and/or paid as a detail.

The Union shall not file a grievance or in any way challenge the creation of the above-described administrative fee for the purpose set forth in this subsection provided however, the Union shall have the right to grieve or otherwise challenge any violation of this subsection (10).

B. Distribution:

Details shall be tracked on a computerized system, with text message and email notifications sent to the officers. Details shall be entered and offered through the computerized detail system unless otherwise specified below. All details can be bid on by union members and active sworn officers of the Cranston Police Department. An approved list of authorized Cranston Police Retirees can bid on traffic safety details. The computerized detail system shall award the detail to all

active sworn officers of the Cranston Police Department first. If the detail still remains without award, the detail will then be awarded to an authorized Cranston Police Retiree.

All details will be offered and distributed on a rotating list basis. The tiers for the detail system are as follows:

Tier 1: All Sworn Officers of the Cranston Police Department

Tier 2: Individuals who are eligible as part of the Special Officer's Program

Tier 3: Outside Agencies

- 1.) On the Detail list, all officers will be on a single rotating list for all details and assigned a number indicating list position, with the most senior officer assigned the lowest number/list position and the most junior officer assigned the highest number/list position. When an officer is awarded a detail, he/she will be assigned the highest number/list position available. The detail list will be continuous and never reset.
- 2.) All details will count as a turn worked and the officer will go to the highest list position regardless of the hours worked.
- 3.) All Details that are ordered in advance before 1345 hours on the day before the detail is performed will be filled at 1400 hours the day before the detail. All details ordered after 1345 hours but before 1745 hours on the day before the detail will be filled at 1800 hours.
- 4.) Any detail ordered after 1745 hours on the day before a detail or any detail ordered the day of the detail will be sent through the detail list with a 15-minute bidding period.
- 5.) Any detail ordered in advance and performed on Saturday, Sunday, and Monday will be filled on the Friday before at 1400 hours.
- 6.) All officers must be notified via email of any details that need to be filled in advance due to special circumstances prior to 48 hours of the detail start time. If a detail does need to be filled in advance that detail will close after the closing time of the routinely filled daily details.
- 7.) There shall be a separate list for details that effect public safety kept by the Chief of Police or his/her designee. Said list shall be tracked by seniority and turns. This procedure will take place only on events that there is a public safety risk and must be agreed upon by the union.
- 8.) Any Sworn Officer of the Cranston Police Department shall have the right to take from and/or replace any individual who is not an active member of the Cranston Police Department any detail up to one (1) hour prior to the start of the detail or four (4) hours (or after the four hours) have passed from the start of the detail. If a sworn officer chooses to exercise this right the detail office or OIC (who will in turn notify the detail office) must be notified prior to taking the detail. The member taking the detail will then be charged for the detail and moved to the last position on the rotating list.
- 9.) If any detail awarded is cancelled by the vendor within two (2) hours of the scheduled start time of the detail shall be paid four (4) hours and shall remain in his/her current list position.
- 10.) If any detail awarded is cancelled by the vendor prior to two (2) hours of the scheduled start time of the detail, the officer shall be reverted back to his/her

previous list position prior to being awarded the detail.

- 11.) If any member returns an awarded detail they shall maintain their current list position. In the event the detail goes unfilled, the returning member shall be responsible for working the detail.
- 12.) If any member calls out sick for an awarded detail, the member shall not be responsible for said detail but shall be reverted to the highest list position available. Any member who calls out sick on two (2) separate occasions in any three (3) month period shall be subject to a thirty day (30) suspension from the detail list.

The Union and the City agree to keep the above rules in place for all details, however in the event changes need to be made, they must be agreed upon by both the City and the Union and solidified in a written agreement.

Any employee who knowingly performs a detail not recorded and any employee who willfully assigns a detail without recording it shall be subject to departmental discipline.

Any agreements made to have individuals other than sworn officers of the Cranston Police Department must have a written agreement with the IBPO 301 to be eligible to work any private detail.

C) Special Rates (shall apply on the day for the recognized holiday)

1. Any details performed from Friday at 1800 hrs. to Monday at 0600 hrs. will be paid the Weekend Detail rate of \$10.00 per hour additional to the detail rate. Any hours work beyond eight (8) hours shall be paid at time and one-half of the weekend detail rate. (Example: Detail Rate + \$10.00 x 1.5 = Weekend Overtime Detail Rate)

D) Special Officers Program:

The City and Union agree to establish a program to allow non-union members who retired after March 1, 2010 who are covered under this Agreement to work non-departmental overtime. This program shall be entitled as the "Special Officers Program". In order to be qualified as a Special Officer, the individual must complete a minimum of four (4) hours of mandatory non-paid in-service training per fiscal year. All permanent members of the Department shall have priority on all detail assignments over Special Officers participating in the program and Section B. Distribution, shall apply.

All Special Officers shall wear the proper uniform of the day as determined by the Chief of Police while conducting details and will be prohibited from carrying firearms while on

any special detail duty. Special Officers will purchase the proper uniform at their own expense. Special Officers will not be entitled to file a grievance, nor will they have the right to benefits under R.I. Gen. Laws §45-19-1. If a Special Officer is injured while working a detail, he or she may have the right to collect workers compensation benefits under the City's insurance coverage.

Special Officers will be paid the "Special Officers Hourly Rate", to be calculated as the detail rate plus the administrative fee minus twenty percent (20%) of the billing rate. The detail rate is the same rate as active officers receive for special details minus twenty percent (20%). The Administrative Fee is the difference of the billing rate minus twenty percent (20%). The twenty percent (20%) as described in the above formula will be maintained in a separate fund by the City to cover any costs incurred by Special Officers that are associated with Workers Compensation, Unemployment Benefits, or any other associated or related costs.

All Special Officers shall not be permitted to utilize marked police vehicles at any time unless approved by the Chief of Police or designee. The city shall be responsible for providing a "traffic safety vehicle" or "emergency lighting" when the detail requires a vehicle.

The City and Union shall have the right to terminate the Special Officers Program with "just cause".

SECTION 14

Further, for the period beginning July 1, 2000 and thereafter, the employee will be allowed to accumulate and carry over the maximum of sixty (60) vacation days per year not to exceed eighty-seven (87) days in total. SECTION 17

INJURIES AND ILLNESS

A) A member of the bargaining unit who is injured or contracts an illness while in the performance of his duties shall receive the salary and benefits he would be entitled to had he not been incapacitated, while his incapacity exists or until he is placed on an occupational disability pension. All injuries, illnesses and recurrences thereof shall be reported and administered as required by Subsections (B) through (E) of this Section 17 below.

B) Medical care for injuries or illness in the line of duty. Medical care for those injured or who contract illness in the line of duty shall be as follows:

(i) A member who was injured or contracts an illness or a recurrence thereof while in the performance of his police duty whose condition requires hospitalization shall have the right to select a hospital and a physician, Nurse Practitioner from the staff of that hospital. The selection shall be made by the member or his duly authorized health care agent.

(ii) In other cases involving injuries or illnesses or recurrences thereof incurred while in the performance of police duty which do not require hospitalization, the member shall have the right to a physician, Nurse Practitioner of his choice from the staff of a hospital (including initial and follow-up treatment).

(iii) When a member sustains a minor injury or contracts a minor illness in the line of duty which does not require hospitalization or the care of a physician, the member shall submit a written report of said injury or illness to the Chief of Police in accordance with department rules and regulations.

C) IOD Procedures.

In the event of a dispute as to the nature, extent, or causation/job-relatedness of an injury, illness, disability, or recurrence thereof, or as to the medical necessity or reasonableness of medical services and expenses, it shall be resolved in the following manner.

1) Initial IOD Claims.

Initial IOD Claim Documentation:

- Diagnosis; whether or not the injury or illness is job-related;
- Prognosis; notes on the officer's rehabilitation; what, if any, assignments can be safely performed by the officer; whether the officer is able to perform light duty or restricted work activities; and length of time before the officer can return to unrestricted police activities.

If an officer has suffered an initial or service connected injury or illness, the officer shall be entitled to be examined by the physician of his/her choice as noted above. In order for any police personnel to be initially carried IOD, they must:

- (a) seek medical attention for their injury within a reasonable period, not to exceed forty-eight (48) hours (unless he/she provides notice, within twenty-four (24) hours from the end of the forty-eight (48) hour period, that he/she could not obtain medical treatment within said forty-eight (48) hour time period) following the event that gives rise to the injury/illness, unless the event giving rise to such injury/illness was undeterminable when it occurred, and
- (b) submit a Cranston Police Department Initial IOD Justification Form (Exhibit C) from the hospital or treating physician to their commanding officer which form must be executed and submitted within forty-eight (48) hours of the officer's receipt of said form from the Department.

This Initial IOD Justification Form from the hospital or treating physician must indicate a diagnosis, the causation/job-relatedness of the injury/illness if determinable at that time, and whether or not the officer is able to remain on duty or is to be relieved of duty, and if relieved of duty, the length of time for which the officer is so relieved. If the Initial IOD Justification Form is not completed in its entirety, the police officer will not be carried on IOD status and will be placed on sick leave or leave without pay if the officer has no available sick time; notwithstanding, if the Department receives the properly completed form within twenty (20) business days, then all Department records shall be amended to note that the officer was IOD and not on sick leave or leave without pay, and the officer shall be reimbursed the appropriate salary and benefits to reflect same. A Cranston Police Department Initial IOD Justification form which relieves an officer for a specific period of time, (i.e. two days), is valid only for that period, even if that period constitutes the officer's days off.

c.) complete a proper medical release form in favor of said commanding officer which must be executed and submitted within forty-eight (48) hours of the officer's receipt of the Cranston Police Department Initial IOD Justification form.

d.) In the event an officer suffers an injury or illness that does not require medical attention and the officer is able to and/or attempts to remain on duty, the injury or illness still must be reported to the Department as soon as practicable but not longer than five (5) days following the event that gives rise to the injury/illness unless the event giving rise to such injury/illness was undeterminable when it occurred, in order to preserve future IOD status/benefits rights.

(1) In order to preserve future IOD status/benefits rights the officer must report to his/her supervisor thirty (30) days after submitting the initial injury/illness report in order to update said supervisor of the status of the injury/illness, and the officer and the supervisor shall discuss and decide whether the officer needs to see a physician at that time or whether an additional period of time is needed for the injury/illness to subside on its own.

2. Continuing IOD Status

Continuing IOD Claim Documentation:

- Prognosis; notes on the officer's rehabilitation; what, if any, assignments can be safely performed by the officer; whether the officer is able to perform light duty or restricted work activities; and length of time before the officer can return to unrestricted police activities.

The terms "light duty or restricted work activities" and "unrestricted police activities" shall be defined as set forth in Subsection (C) below.

At the conclusion of the specified period of initial excused absence, the officer is expected to resume regularly scheduled duties. If the officer intends to remain IOD beyond the initial period, an additional statement from a medical doctor keeping him/her out of work for an additional period of time is required in order for the officer to remain on IOD status. In the event the officer remains out of work beyond the initial period without submitting another medical note substantiating the reason for continued absence, the officer shall be taken off of IOD status and will be carried on sick leave or leave without pay if the officer has no available sick time, unless the officer submits written proof that he/she was unable to secure an appointment with his/her physician, stating the reason why he/she could not obtain said appointment. In the event the additional medical documentation is received within twenty-one (21) calendar days of the officer's last day of medically excused absence, and if the documentation keeps him/her out of work for an additional period of time and substantiates the reason for the continued absence in accordance with Subparagraph (1) above, all Department records shall be amended to note that the officer was IOD and not on sick leave or leave without pay, and the officer shall be reimbursed the appropriate salary and benefits to reflect same. If, however, the additional supporting documentation is not received within twenty-one (21) calendar days of the officer's last day of medically excused absence, then the officer shall not be reimbursed for any time. Once the additional medical documentation is received substantiating the officer's IOD claim, the officer will be carried on IOD status from the date the Department actually receives such additional medical documentation that substantiates the officer's IOD claim.

It shall be the responsibility of the injured officer to notify his/her treating medical personnel that documentation concerning the injury/illness must address the following matters if said matters are determinable at that time:

3. City Medical Examinations.

If the officer's physician, Nurse Practitioner determines that the officer is suffering from a work related injury and/or that the officer is required to remain on IOD status out of work for an extended period of time, the City may require the officer to be examined by a physician selected by the City.

4. Medical Arbitration Examinations by Neutral/Third (3rd) Physicians.

If the opinion of the officer's private physician is in conflict with the City's physician as to whether or not the officer is suffering from a work related injury and/or whether the officer is required to remain on IOD status out of work, then the officer shall be required to

be examined by a "neutral/third (3rd) physician" for a "medical arbitration examination". The neutral/third (3rd) physician shall be mutually agreed upon by the officer's treating physician and the Department physician. In the event the officer's treating physician and the Department physician are unable to agree to a physician within fourteen (14) calendar days, then within fourteen (14) calendar days thereafter Local 301 shall name two (2) physicians and the City shall name two (2) physicians, and one (1) name shall be chosen by a lottery method agreed to by Local 301 and the City from those named. Any physician chosen through the above process shall be a physician who specializes in the area of the officer's complaint or injury. Notwithstanding, no neutral/third (3rd) physician shall be a physician who has previously treated the officer for the complaint or injury for which the officer is seeking treatment under this Section.

The neutral/third (3rd) shall examine the officer and shall render a written opinion with respect to which IOD-related issues are in dispute between the treating physician and the Department physician, which report shall be delivered to the Department and to the officer. The cost of any medical arbitration examination by the neutral/third (3rd) physician shall be paid for by the City. The results of the examination by the neutral/third (3rd) physician as selected under this Section shall be conclusive on the parties, provided, however, that the City and/or the IBPO shall have the right to have said determination reviewed by a single arbitrator in accordance with the arbitration provisions set forth in this Agreement. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

Provided that the officer has complied with sections C-1 and C-2, he/she shall continue to be carried on IOD status until such time as the Chief of the Police Department receives a written report from the neutral/third (3rd) physician indicating that the officer is capable of returning to work, assuming all other applicable requirements set forth in this Subsection (C) have been met.

5. Recurrence of an Injury/Illness.

When an officer has suffered a previous service-connected injury/illness and an occasion arises when the injury/illness reoccurs in any nature, the officer shall be entitled to the immediate examination by the physician, Nurse Practitioner who attended him/her for the original injury/illness, at the City's expense. In the event the physician, Nurse Practitioner who treated the officer for the original injury/illness is not available by reason of illness, death, or from any other reasonable circumstances, the officer shall have the right to be examined by a specialist of his/her own choice, at the City's expense. If the attending physician, Nurse Practitioner determines that the officer is suffering from a recurrence of the injury, the officer shall be entitled to the benefits of this Article; provided, however, in order for an officer to be carried IOD on a claimed recurrence of a prior injury, the officer must follow all of the procedures set forth in Subparagraphs (C)(1) and (C)(2) of this Subsection.

Further, the City shall have the right to have said officer examined by a physician selected by the City, through the process set forth in Subparagraph (C)(3) of this Subsection, as to whether or not said officer is actually suffering from a recurrence of the injury and/or whether or not the officer is required to remain on IOD status out of work for an extended period of time due to said recurrence.

If the opinion of the officer's private physician is in conflict with the City's physician

as to whether or not the officer's condition is a recurrence of the previous line of duty injury and/or whether or not the officer is required to remain on IOD status out of work due to said recurrence, then the medical arbitration examination process shall be utilized in accordance with the provisions and process set forth in Subparagraph (C)(4) of this Subsection concerning medical arbitration examinations by neutral/third (3rd) physicians. The results of the examination by the neutral/third (3rd) physician as selected under this Section shall be conclusive on the parties, provided, however, that the City and/or the IBPO shall have the right to have said determination reviewed by a single arbitrator in accordance with the arbitration provisions set forth in this Agreement. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

Provided that the officer has initially complied with Section C-1, C-2, and all other provisions of Section C-5, he/she shall continue to be carried on IOD status until such time as the Chief of the Police Department receives a written report from the neutral/third (3rd) physician indicating that the officer is capable of returning to work, assuming all other applicable requirements set forth in this Subsection (C) have been met.

6. Scheduling of Appointments.

City medical examinations and examinations by the neutral physician shall be scheduled during the physician's normal business hours. At least seven (7) calendar days prior to the scheduled date of such examination appointment, the Department shall submit to the home address of any officer making a claim of IOD a written notice setting forth the and/or departmental email address nature, date, time or time period, and location of the examination appointment. Any officer making a claim of IOD status shall make himself/herself available for examination during the scheduled examination appointment hours, except in the event of a documented emergency, with notice provided thereof to the Department, which renders said officer unable to make himself/herself available for said appointment hours. Said requirement shall apply to all officers, regardless of whether the officer's normal tour of duty coincides with the physician's normal business hours. With respect to officers not out on IOD leave, if the officer's normal tour of duty (including light duty hours) coincides with the physician's normal business hours, the officer shall be placed on paid leave for any amount of time that he/she is absent from his/her tour of duty; and if the examination is scheduled for a time during which the officer is not on his/her normal tour of duty (including light duty hours) he/she shall be paid at the rate set forth in Section 12 of this Agreement regarding call back pay (officers on IOD leave shall not be entitled to said call back pay, as they are not eligible to work on their normal tour of duty).

Any fee charged by the physician as a result of an officer's failure to keep an appointment, except in the case of: (a) a documented emergency with notice in advance of the medical appointment provided to the Department, (b) the Department's failure to provide to the officer the proper prior written notice of the appointment or the proper proof of said written notice, or (c) without other reasonable cause, shall be the sole responsibility of the officer. Moreover, in the event of an officer's failure to keep an appointment without evidence of one (1) of the exceptions set forth above, the officer shall be temporarily removed from IOD status until he/she attends the next scheduled examination appointment, and said officer shall thus not be entitled to any of the IOD benefits under this Section until he/she attends said next scheduled appointment.

7. Subsequent Neutral Physician Examinations.

After the officer's initial evaluation of IOD status by the neutral physician, the City may require said officer to be examined by the same neutral physician, no more than one (1) time every forty-five (45) calendar days but not to exceed six (6) examinations in any twelve (12) month period, in order to update said officer's IOD status evaluation. Nothing herein shall prohibit the officer from attending his/her private physician for necessary treatment and/or evaluation during the period that said officer is carried in an IOD status.

8. Continuation of IOD Status.

An officer on IOD status shall continue to be carried on an IOD status until such time as the Chief receives a written report from the neutral physician clearly indicating that the officer is capable of returning to unrestricted police activities or, in accordance with Subsection (E) below, to light duty.

B) Outside Employment While Injured.

An officer who is absent from duty for an incapacity resulting from an injury or illness sustained while performing police duty shall be prohibited from engaging in outside employment while said incapacity exists, if said employment would substantially impede recovery.

C) Light Duty.

In the event an officer is injured or becomes ill (whether or not job-related) and cannot perform his/her duties without restriction or is not able to return to full duty the Police Chief may order a light duty assignment in accordance with the provisions set forth below.

1. Eligibility.

An officer shall be determined to be eligible for a light duty assignment only if it has been determined in writing, pursuant to section C-2 and the process set forth below in this Subparagraph, that said officer is presently medically certified to be capable of performing light duty, as light duty is defined below and as said definition shall be provided in writing by the Department to the pertinent examining physician(s) (i.e. the member's physician, the City physician, and/or the neutral physician).

An officer's eligibility to perform light duty in accordance with this Subparagraph shall be determined by the officer's physician and the City's physician. When requested by the City, the officer shall ensure that a light duty questionnaire is completed and returned to the department within five (5) calendar days of any follow up appointment. If the opinion of the officer's private physician is in conflict with the City's physician as to whether or not the officer is able to return to work in a light duty capacity in accordance with this Subparagraph, then the medical arbitration examination process shall be utilized in accordance with the provisions and process set forth in Subparagraph (C)(4) above of this Section concerning medical arbitration examinations by neutral/third (3rd) physicians. In the event the neutral/third (3rd) party physician process is utilized, the officer shall only be required to report to light duty if said neutral/third (3rd) party physician decides in favor

of light duty, and said officer shall not be required to report to light duty until such decision is made. The results of the examination by the neutral/third (3rd) physician as selected under this Section shall be conclusive on the parties, provided, however, that the City and/or the IBPO shall have the right to have said determination reviewed by a single arbitrator in accordance with the arbitration provisions set forth in this Agreement. In all other aspects, the arbitration provisions set forth in this Agreement shall apply.

A) Definition.

Light duty is hereby defined as duties of a less physical or onerous nature that the officer is able to perform according to and determined by his/her and/or the City's physician(s), that are typically related to or supportive of work performed by the bargaining unit.

3.) Reporting to Light Duty.

Upon the Department's receipt of written certification by the above process of the officer's ability to return to light duty, said officer shall become eligible for a light duty assignment by the Department. Any and all officers assigned to light duty shall be assigned to light duty on a dayshift schedule or the Officer's normal working hours at the discretion of the Chief of Police or his/her designee. If a hardship exists and it is agreed upon with the Chief of Police, the Officer will work his/her normal schedule and assigned duties permitted by this agreement from the Chief of Police or his/her designee. The officer on light duty shall be permitted to wear the type of Departmental uniform (i.e. uniform or plain clothes) he/she wore prior to sustaining the injury/illness. The light duty officer shall not count as manpower and shall not be assigned to dispatch as vacancies shall be filled as details. The light duty officer shall not be assigned to any other division in lieu of filling vacancies.

F). Subrogation.

Whenever an injury to an officer or sickness of an officer, for which benefits are paid either under this Section or any other applicable provision of the collective bargaining agreement or under the provisions of R.I.G.L. 45-19-1 et seq., is caused under circumstances creating a legal liability in some person or entity other than the City of Cranston to pay damages to the injured or ill officer in respect thereof, the City shall be subrogated to the rights of the officer of the bargaining unit to recover damages from said third (3rd) party only to the extent of the City's payments made hereunder subject to the concept of comparative negligence and to the extent authorized by R.I.G.L. 45-19-1.1. The officer will be responsible to notify the City of the filing of any claim and the receipt of any award or recovery from any such claim.

SECTION 18

RULES AND REGULATIONS

The I.B.P.O. shall be permitted to make suggestions regarding departmental rules and regulations. Such suggestions shall be submitted in writing to the Chief of the Police and a copy thereof transmitted to the Mayor. Said suggestions for rules and regulations will be given due consideration and may be adopted, if deemed advisable by the Chief of the Police and the Mayor. To the extent that any provisions of the rules and regulations conflict with the express provisions of this Agreement any such conflict shall be resolved in favor of this Agreement.
