Dear Mr. Stevens,

At your request, the Rhode Island Historical Preservation and Heritage Commission (RIHPHC) staff has reviewed the archaeological sensitivity of the above-referenced property.

We consider this property to have low sensitivity for archaeological resources, and do not recommend a survey be conducted prior to the development of these lots.

These comments are provided in accordance with the State Preservation Act. If you have any questions, please contact Charlotte Taylor, archaeologist at this office.

Sincerely,

Jeffrey D. Emidy
