RE: Natick Avenue Solar

Dear Mr. Smith:

On behalf of Revity Energy, LLC and Ronald Rossi, I am writing to consent to extending the date for consideration of the Preliminary Plan for the Natick Avenue Solar matter.

Originally, based on the December 30, 2020 date for the certificate of completion, the Planning Commission would have had to take action by March 30, 2021.

Given the lateness of last night's meeting and the short period of time until your next special meeting on March 8, 2021, I feel it would be prudent to give the Planning Director and staff a more reasonable amount of time to gather the information requested by commission members.

Accordingly, we would agree to extend and waive the ninety (90) day review period and consent to the matter being continued up until your meeting on April 6, 2021 meeting.

If you have any questions, please feel free to contact me.

Very truly yours,

TAFT & McSALLY LLP
