## INTRODUCTION

This Collective Bargaining Agreement ("Agreement") is entered into by and between the City of Cranston, Rhode Island ("City") and the Rhode Island Laborers' District Council on behalf of Local Union 1322, Providence, Rhode Island, of the Laborers' International Union of North America, AFL-CIO ("Union").

## PRINCIPLES

A. This Agreement is to facilitate the adjustment of grievances and disputes between the City and its employees; to provide, insofar as possible, for the continuous employment of labor; and to establish necessary procedures for the amicable adjustment of all disputes which may arise between the City, its employees, and the Union.

B. The City and the Union encourage the highest possible degree of practical, friendly, and cooperative relationships between their respective representatives at all levels. The officials of the City and the Union realize that this goal depends primarily on cooperative attitudes between people in their respective organizations at all levels of responsibility and that proper attitudes must be based on full understanding of and regard for the respective rights and responsibilities of the City, its employees, and the Union which represents them.

C. The City and the Union acknowledge and affirm their commitment to comply with all applicable anti-discrimination laws, regulations, and ordinances. The City of Cranston shall provide equal opportunity for all employees and applicants for employment and does not discriminate on the basis of race, color, religion, sex, national origin, marital status, disability, age, handicap, veteran status, sexual orientation, gender identity, or any other non-job related characteristic. Harassment and Discrimination of any sort shall not be tolerated in the working environment of the City.

Similarly, an employee who has been downgraded or laid off as a result of reduction in workforce shall be recalled to his or her former classification in accordance with his or her seniority.

## **ARTICLE 2 HOURS OF WORK AND OVERTIME**

A. Employees of the Highway, Fleet Maintenance, and Building Maintenance Divisions of the Department of Public Works and employees of the Department of Parks and Recreation shall work a normal workday of eight (8) consecutive hours from 7:00 a.m. to 3:00 p.m., Monday through Friday, with the exception of custodians who work various shifts and days and employees of the Highway Division who are subject to night work, specifically, street sweepers.

B. Each employee's work day shall include a one-half (1/2) hour lunch period to be taken between 11:30 a.m. and 12:30 p.m. at the job location, unless otherwise specified by their division head or the Director of Public Works ("Director").

Whenever an employee is requested to work overtime and after that employee has worked a total of five hours since his last break, whether said break was a lunch break or the time when the employee was called back to work, and after each such 5-hour period thereafter he shall be entitled to a one-half hour break with pay as if that one-half hour period had been worked, provided, however, before said employee is entitled to said break he shall have worked a minimum of two hours overtime since his last break, and be scheduled to return to work following the break. (For the purposes of determining the 5-hour period referred to above, breaks shall not be included.)

During each such break, employees shall be allowed to leave the job location, provided that they receive the prior approval of their foreman, who shall not unreasonably refuse to give such approval. Employees so leaving the job location shall inform their foreman as to where they can be reached during the break. If such approval is not granted, non-alcoholic beverages and sandwiches shall be made available to employees at the job location at their expense at the start of the break, by the foreman or an employee at the foreman's direction, and such employees shall not lose any of their own break time in obtaining said beverages and sandwiches.

H. All transfers, either from division-to-division or from department-to-department, will be posted a reasonable time in advance except in cases of emergencies.

I. #### **ARTICLE 5 SENIORITY, PROMOTION AND PROBATIONARY PERIOD**

**Section 1. Definition.** Seniority shall be defined as the total length of service with the Employer. Seniority shall apply, everything else being equal, for purposes of layoff, recall, transfers and vacation preference.

Seniority shall be acquired by a full time employee after completion of six (6) months probationary period, at which time seniority shall be retroactive to the first day of employment. During said probationary employment period, a probationary employee may be terminated for any reason, in the sole and exclusive discretion of the Employer, and shall have no redress through the grievance procedure. Newly hired probationary employees shall not accrue sick leave, vacation leave, or seniority until the successful completion of the probationary period, at which point such entitlements shall accrue retroactive to the first date of employment. The Employer shall not be responsible for the cost of any and all insurance benefits provided under this agreement until the first day of the first full month of employment.

**Section 2. Accumulation.** Seniority shall accumulate during absence because of illness, injury, vacation or other authorized leave.

**Section 3.** No person shall be detached to work out of classification for a period of more than twenty (20) consecutive working days, provided the needs of the department to which the employee is assigned are met.

**Section 4. Break-In-Seniority.** Seniority will be considered broken only for the following reasons:

- (a) Discharge for just cause;
- (b) Voluntarily termination of employment;
- (c) Exceeding an authorized leave of absence;
- (d) Engaging in other work without authorization while on a leave of absence.

**Section 4A.** The City agrees to make job assignments within the job classification by seniority on an equitable basis taking into consideration the needs of the department in which the work is to be performed.

**Section 5.** In all departments and divisions except the Highway Division, seniority shall be recognized and applied on the following basis with respect to:

- (1) Overtime. Except for custodians overtime shall be offered in the first instance to the most senior man, who is not out on sick leave, in the particular job classification which has been given the overtime work. Thereafter, the next senior man, who is not out on sick leave, in that classification will be offered overtime until all men in that particular classification have had an opportunity to work overtime. As relates to custodians overtime shall be offered in the first instance to the most senior man, who is not out on sick leave, at the particular building site for which overtime work will be given. Thereafter, it will be offered to the most senior man, who is not out on sick leave, in the particular job classification. Whenever an employee refuses to work overtime, for a good cause, he shall be allowed an opportunity to work overtime the next time overtime occurs for employees of that classification. The City retains discretion to determine whether good cause exists for refusing overtime work. If an employee refuses overtime work without good cause, he shall lose his turn in rotation, but shall be allowed an opportunity to work overtime when his name next comes in rotation.

(2) Call-Back. During emergency situations when employees are being called back to work, the City shall callback to work employees in accordance with the above sub-paragraph; provided, however, that for emergency-related call-back purposes, all employees, even those who are out on leave, are subject to being called back. Call-backs are also governed by the terms of Article 17 and provided, however, that for emergency-related call-back purposes, all employees, even those who are out on leave, are subject to being called back.

(3) Choice of time for holidays and vacations: However, a senior man may reject the benefit at his discretion without the need of any explanation on his part. Further, in the event that an employee shall reject the benefit, it shall not be construed as a waiver of his seniority rights in any subsequent situation where seniority would prevail.

(4) The City shall establish a seniority list for all employees of the Department of Public Works, excepting the Highway Division, and of the Department of Parks and Recreation, which lists shall provide for seniority by job classification and seniority by the division within the Department of Public Works and the amount of overtime worked by each employee on the list.

All overtime lists as above shall be brought up to date semi-annually, once at the end of the fiscal year, and once at the end of the calendar year. The lists shall be made available to the Secretary of the Union.

Employees are responsible for providing accurate and up-to-date contact information to be included on overtime call back lists. Union representatives shall cooperate with the City to review and update call backs lists regularly and the City shall not be responsible to an employee for loss of overtime pay due to a missed call resulting from inaccurate information on a call back list.

**Section 6.** With respect to employees of the Highway Division the following provisions regarding seniority will apply:

(1) Overtime which shall be offered in the first instance to the most senior man, who is not out on sick leave, in the particular job classification in which the overtime work is to be performed. Thereafter, the next senior man, who is not out on sick leave, in that classification or qualified to perform in that classification will be offered overtime until all men in that particular classification or qualified to perform in that classification have had an opportunity to work overtime. An overtime list shall be maintained by the City which shall be posted at the beginning of each pay period. Whenever an employee refuses to work overtime, for good cause, he shall be allowed an opportunity to work overtime the next time overtime work occurs for employees in that classification. If an employee refuses overtime work, without good cause, he shall lose his turn in rotation but shall be allowed the opportunity to work overtime when his name next comes in rotation. The same procedure shall apply to the emergency snow storm list, as well as for purposes of providing for a skeleton crew to work during any shutdown of the division.

(2) Call-Back. Call-back concerning the positions of light equipment operator, skilled laborer, and laborer equipment operator shall be subject to Article 18 and the following procedures:

- (a) A seniority list will be established for the above classifications by job classifications.
  - (b) Before a light equipment operator is called back for the second time, all other operators listed above shall be given the opportunity to be called back.
  - (c) Call-back shall be by job classification, subject to the restriction listed in (b) above.
- (3) Choice of time for holidays and vacations: However, a senior man may reject the benefit at his discretion without the need of any explanation on his part. Further, in the event that an employee shall reject the benefit, it shall not be construed as a waiver of his seniority rights in any subsequent situation where seniority would prevail.
- (4) In the event that two or more employees shall have equal seniority, for the purposes of this agreement, seniority will be determined as follows:
- (a) If the position held by such employees was attained by competitive examination the individual who scored highest on said examination will be deemed to be the most senior man.
  - (b) If the position held by such employees was not attained by competitive examination seniority will be determined by a coin toss.

**Section 7.** When the City posts notice of a written promotional examination for a position within the Union, the City shall also provide information, when available, on the availability of study guides and materials relevant to the written promotional examination. The cost of acquiring any such study guides or materials shall be the sole responsibility of the current or prospective employee and if no such study guides or materials are available, then the City shall provide the general topic(s) of the questions to be included on such written examination. (a) In case of the death of a father, mother, wife, husband, son, daughter, mother-in-law, father-in-law, brother, sister, step-son, step-daughter, step-mother, step-father, step-brother, or step-sister of an employee, such employee shall be entitled to leave of absence with pay from the time of the notification of the death to and including the day following the burial of the deceased, not to exceed five (5) days, except in cases where unusual travel distances exist. Such period shall be extended for a maximum of three (3) days, and provided further that in the cases of employees of the Jewish faith, said leave shall be for the actual period of mourning observed, but not to exceed seven (7) days from the day of burial.

(b) In case of the death of a grandmother, grandfather, great-grandmother, great-grandfather, grandson, granddaughter, great-grandson, great-granddaughter, daughter-in-law, son-in-law, sister-in-law, or brother-in-law of any employee, such an employee shall be entitled to a leave of absence with pay covering the day before the funeral and the day of the funeral.

(c) In the case of the death of a nephew, niece, uncle, aunt of an employee, such employee shall be entitled to a leave of absence with pay for the one (1) day of the funeral.

(d) In the case of the death of a relative other than those provided for in sub-paragraphs (a), (b), and (c), such leave of absence with pay shall be for not more than eight (8) hours to permit attendance at the funeral of said person if the leave is first approved by the division head.

**Section 4.** Upon severance or retirement in good standing from City employment, after at least ten (10) years of employment with the City, an employee may elect to take one-third (1/3) of unused accrued sick leave time as furlough, or to be paid one-third (1/3) of the unused sick leave time, up to a maximum of forty (40) days. Upon severance or retirement in good standing from city employment, after at least twenty-five (25) years of employment with the City, an employee may elect to take one-half (1/2) of unused accrued sick leave time as furlough, or to be paid one-half (1/2) of the unused sick leave time, up to a maximum of sixty (60) days.

**Section 5.** In the event that an employee is too sick or injured to report to work for the City, there is a non-rebuttable presumption that such employee is also too sick or injured to work at any other part or full time job or to play/coach sports or other athletic or strenuous activities, unless it is mutually agreed in writing between the City and such employee that based on competent medical evidence such employee is in fact able to perform such other part or full time job. Violation of this provision will be just cause for the City to terminate the employment of such employee. The City also reserves the right to an independent medical examination by a physician chosen by the City at the sole expense of the City.

**Section 6.** Employees covered by this Agreement shall continue to be enrolled in the Rhode Island Temporary Disability Insurance Program provided at the employee's expense.

**Section 7.** Physical illness or incapacity rendering the employee unable to perform the duties of his position or the duties of another position within the department. However, sick leave is a benefit which shall not be abused. Any employee who abuses sick leave shall be subject to disciplinary action. In the event an employee is out on sick leave for three consecutive days, upon his return to work, the City may require a Doctor's certificate.

The City may require an independent medical examination at the sole expense of the City in the case of suspected abuse.

## **ARTICLE 9 LEAVE OF ABSENCE**

The department head, the Personnel Director, or the Mayor or his designee may grant a regular employee a leave of absence without pay and without benefits for a period not to exceed one (1) year. No leave without pay shall be granted except upon written request of the employee, and whenever

granted, such leave shall be in writing and signed by the appointing authority, and a copy filed with the Director of Personnel. Upon expiration of a regularly approved leave without pay and without benefits, the employee shall return to work in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration without good cause, shall be considered as a resignation.

Leave of absence without pay will not be granted under the above conditions to anyone requesting such leave so as to try other employment. The City shall have the right to review and take into consideration an employee's past attendance and performance before granting leave without pay. The health and dental coverages and employee contributions under this Agreement shall continue up to one hundred twenty (120) days during any such leave on the same conditions expressed in this Agreement.

## **ARTICLE 10 JURY DUTY & MILITARY LEAVE**

**Section 1.** Regular full-time employees shall be granted leaves of absence for jury duty requiring presence at court or if subpoenaed to appear before a court or government commission. Such employee shall receive that portion of their regular salary which will, together with either their jury duty fees or their subpoena fees, equal their total salary for the same period.

**Section 2.** Any regular full-time employee who may be a member of the standby reserve or ready reserve of any branch of the armed forces and who may be required to perform military duties for a period of fourteen (14) days or less in any one fiscal year at a time while so employed by the City, shall receive the difference between his regular salary paid by the City and the compensation paid by either the State or Federal Government during the performance of his military service in any one fiscal year. Provided, however, that if within said period of military service an authorized holiday occurs, said employee's regular salary shall be increased by one day's pay. Provided further, however, if an employee is called to regular duty in the armed forces of the United States he shall be given a leave of absence by the City and the provisions of this clause relative to the difference in earning shall not apply.

## **ARTICLE 11 SPECIAL TIME OFF**

**Section 1.** The Union Negotiating Committee shall consist of no more than six (6) members of the bargaining unit, together with any other persons deemed necessary by the Union. No more than two (2) additional members of the bargaining unit shall be permitted to participate in negotiations concerning any specific department.

Not more than six (6) members of the Negotiating Committee shall be excused from duty with pay for the purpose of participating in negotiating agreements provided reasonable advance notice is given to their department heads, and said excuses shall commence fifteen (15) minutes before the scheduled commencement of the negotiation session.

**Section 2.** The Union shall furnish the City and appropriate department heads with a list of stewards; and shall, as soon as possible, notify said appropriate City officials in writing of any changes thereto. Only those who are officers and stewards shall be recognized by the City for the purpose of meetings. Union stewards shall be appointed by the Union's Business Manager.

The Union may be represented by International Representatives, Representatives of the Rhode Island Laborers' District Council and/or Counsel.

**Section 3.** There shall be no deduction of pay from a grievant and/or steward for time spent directly involved in meetings with management during working hours.

**Section 4.** Designated Union representatives other than members of the bargaining unit, shall be permitted, by the Department Director, to visit employees on job sites and at department buildings.

**Section 5.** Upon request of the Business Manager to the division or department head, any one Union officer or steward shall be granted time during working hours without loss of pay for actual time spent investigating or processing grievances and such officer's or steward's supervisor shall keep an accurate log of the actual time so spent. Approval of such request will not be unreasonably withheld by such department or division head.

**Section 6.** In the event an employee holds the title of Business Manager or President of the Union, he may be allowed up to eight (8) hours per week without loss of pay to conduct Union business.

## **ARTICLE 12 HEALTH AND WELFARE**

A) The City agrees to offer a Preferred Provider Organization (PPO) plan for each member of the Union and his family. Each employee shall pay a percentage of the monthly working rate for the City for the plan chosen, deducted bi-weekly from the employee's paycheck. For all employees hired prior to July 1, 1995, the co-share percentage will be 18.5% for Year 1 (7/1/18 to 6/30/19), 18.5% in Year 2 (7/1/19 to 6/30/20), and 19% in Year 3 (7/1/20 to 6/30/21) of this agreement. For employees hired after July 1, 1995, the co-share will remain at 20% for the entire term of the agreement. The PPO plan will include the following: \$15 co-pays for office visits and specialists, \$35.00 for Urgent Care, and \$100.00 for Emergency Room. However, the \$100.00 emergency room co-pay shall be waived if the member or his family member is admitted to the hospital following the visit. Additionally, if there is no urgent care center open, the member may seek a waiver of the \$100.00 emergency room co-pay from the City, less the \$35.00 urgent care co-pay.

B) The prescription drug plan will entail a \$7/\$15/\$40 co-pay (\$7 for generic, \$15 for preferred brand names, and \$40 for non-preferred drugs). Mail order prescriptions for a 90-day supply will be subject to two-and-a-half times (2.5x) the retail co-pay for a normal 30-day supply.

C) As an alternative, the employee may participate in a high deductible, portable, individual health savings account plan (HSA), pursuant to changes in federal tax code made possible by the Medicare Modernization Act of 2003. An HSA is a financial account that an employee can use to accumulate tax-free funds to pay for qualified health care expenses. Under these plans, individuals or families participate in high deductible consumer-driven health plans (CDHPs). Employees may contribute pre-tax dollars into their individual HSAs to pay for medical expenses up to the deductible amount. Once the deductible is reached, the employee and/or his family is covered under the major

medical provision established in the PPO plan referenced above at 100% co-insurance. Employees opting for an HSA **family** plan will have an annual deductible of \$4,000, of which (\$2,100) will be deposited to the employee's HSA by the City on or about January 1 of each contract year of this agreement. Employees who choose the HSA option under an **individual** plan will have an annual deductible of \$2,000, of which (\$1,100) will be deposited by the City on behalf of the employee on or about January 1 of each contract year of this agreement. Employees opting for the HSA individual or family plan will be offered the same negotiated prescription rates from the healthcare provider as those under the PPO plan referenced in Section B above; however, employees will be responsible for the full cost of prescription drugs until the annual deductible is met. Thereafter, the prescriptions are paid by the City as part of the 100% co-insurance.

D) The City also agrees to provide individual or family dental coverage to a maximum of \$2,000 effective July 1, 2015. For all employees hired prior to July 1, 1995, employees will contribute 15% of the monthly working rates in Year 1 (7/1/15 – 6/30/16), 16% in Year 2 (7/1/16 – 6/30/17), and 17.5% in Year 3 (7/1/17 – 6/30/18), prorated and payable through pre-taxed payroll deductions at each pay period. For employees hired after July 1, 1995, the co-share will remain at 20% for the entire term of the agreement.

E) The City also agrees to provide PPO coverage as referenced in Section A to eligible dependents up to age 26.

F) The City agrees to provide the family Chiropractic Care Rider.

G) There shall be a joint labor-management health insurance standing committee, whose purpose is to address ongoing or anticipated issues with respect to health insurance. The participants of such committee shall be designated by the Union and City. They will meet at least monthly in the first year of this agreement, and periodically thereafter as mutually agreed. If any alternative health or dental plans, or other cost-saving means, should become available during this agreement, the City and Union shall meet and confer to address implementation of same.

#### H) COMPENSATION IN LIEU OF COVERAGE

If an employee elects not to receive the family health and dental coverages described in Section A of this article, the Employer shall pay him or her a sum of money which equates to fifty percent (50%) of the Employer's annual cost for FY 2006 (FY7/1/05 to 6/30/06), and will be fixed at that dollar figure for the term of this agreement.

This payment shall be made to the electing employee in two equal lump-sum installments, one during the first pay period in January of each year and the other during the first pay period in July of each year. An employee shall make his election allowed under this section in writing, addressed to the Personnel Director and deliver it to the Personnel Director's office. If an employee terminates his employment with the City, he agrees to pay to the City within forty-five (45) days of termination the pro-rata share of compensation in lieu of coverage.

I) **LIFE INSURANCE.** The employer shall provide group term life insurance in the amount of Seventy-Five Thousand (\$75,000.00) Dollars to all members of the bargaining unit.

**ARTICLE 13**  
**LABORERS' INTERNATIONAL UNION OF NORTH AMERICA**  
**NATIONAL PENSION FUND**

The employer shall contribute to the Laborer's International Union of N.A (Industrial) Pension fund for each hour compensated by employees covered under the Collective Bargaining Agreement as identified in Addendum Number One attached.

**ARTICLE 14**  
**PENSION PLAN**

**Section 1.**

In accordance with the existing ordinances and other applicable municipal law, all employees covered by their agreement shall be members of the State Municipal Employees Retirement System within the meaning of RIGL 45-21-1 et seq. The City and employees shall comply with their respective obligations hereunder.

**Section 2.**

All employees hired after July 1, 2015 shall be enrolled in a defined contribution plan (i.e., a 401(a) plan or equivalent) established by the City in lieu of the State Municipal Employees' Retirement Plan.

Under the defined contribution plan, the City shall contribute 3% of the employees' annual salary into this plan. Employees enrolled in this plan shall contribute a minimum of 3% of the employees' annual compensation to be paid through payroll deduction. Employees may contribute additional funds to their account as allowed by the Internal Revenue Code.

If legislation does not so provide, all employees covered by this Agreement shall be members of the State Municipal Employees Retirement Plan System, R.I.G.L. § 45-21-1 *et seq.*

**ARTICLE 15**  
**GRIEVANCE AND ARBITRATION PROCEDURE**

**Section 1. Definition; Exemption; Exclusivity.**

A grievance is a dispute between an employee(s) (or the Union) which involves the application, meaning or interpretation of the express provisions of this Agreement provided however that an employee shall not have the right to grieve or arbitrate the imposition of discipline or his dismissal from employment during his initial probationary period. The procedures set forth in this article shall comprise the sole and exclusive dispute resolution process for a grievance.

## **Section 2. Procedural Steps.**

## **Section 4. Time Limitations.**

The time limitations set forth in Section 2 are of the essence of this Agreement and the failure by an employee (or the Union) to comply with the time limits shall be deemed to constitute a waiver of the grievance. ## **Section 5. Submission to Arbitration.**

Any grievance, as defined in Section 1 of this article, that has been properly and timely processed through all of the grievance procedures set forth above and that has not been settled at the conclusion thereof, may be submitted to arbitration by the Union serving the City with a written demand for arbitration within fifteen (15) days, excluding weekends and holidays, after the response of the Mayor is due. The failure to file a demand for arbitration within the time limits set forth herein shall constitute a complete waiver of the employee's and Union's right to demand arbitration.

## **Section 6. Arbitrator Selection.**

The Union's demand for arbitration shall be submitted to the closest local office of the American Arbitration Association with a request that it furnish to the Union and the City a list of at least seven (7) qualified and impartial arbitrators. Whereas, the Union and Employer have agreed to adopt the Plan's Preferred Schedules and wish to document that agreement;

It is hereby agreed by the undersigned Union and Employer as follows:

1. The Addendum shall be considered as part of the collective bargaining agreement. The provisions of this Addendum supersede any inconsistent provision of the collective bargaining agreement.
2. The current contribution rate to the Pension Fund shall be Two Dollars and Twenty Seven Cents (\$2.27) per hour as of January 1, 2019.
3. With regard to benefits under the Pension Fund, the Plan's Preferred Schedule provides that the Pension Fund's current plan of benefits for the group will remain unchanged with the following exceptions:
  - a. Benefit accruals for periods after adoption of the Preferred Schedule will be based on the contribution rate in effect immediately before the Preferred Schedule goes into effect for the group, not on the increased rates required by this schedule.
  - b. Effective April 30, 2010 and until the Rehabilitation Plan succeeds, the Pension Fund is not permitted by the PPA to pay any lump sum benefits or pay any other benefit in excess of the monthly amount that would be payable to the pensioner under a single life annuity. This means that the Fund must suspend its Partial Lump Sum option, Social Security Level Income Option, and Widow/Widower Lump Sum Option. Exceptions are made for a lump sum cash-out of a participant or beneficiary whose entire benefit

entitlement has an actuarial value of \$5,000.00 or less and for the Fund's \$5,000.00 death benefit.

- c. The Board of Trustees continues to have discretionary authority to amend the Rules and Regulations of the Pension Fund, including the Rehabilitation Plan, within the bounds of applicable law.

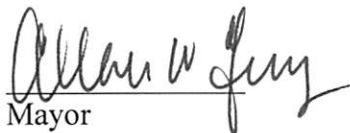

4. The Plan as a whole is deemed to be a part of the Preferred Schedule.

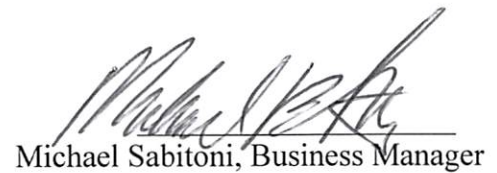

5. This Addendum shall be effective as of January 1, 2019.
