PROPOSED NEW SINGLE-FAMILY DWELLING

Findings of Fact:

The Applicant has requested specific relief in their application, namely:

- 17.20.120 – Schedule of Intensity Regulations
- 17.88.010 – Substandard lots of record and lot mergers

Relief Sought:

B-1 Zone	Required	Proposed	Relief Sought
Minimum Lot Size	6,000 sf for Single-Family Dwellings	5000 sf	1000 sf for the proposed single-family
Minimum Lot Frontage	60 feet	50 feet	10 feet
Substandard lots of Record and Lot Mergers	A "substandard lot of record" is a lot which does not satisfy one or more dimensional requirements set forth in Section 17.20.120, but which was shown on a plat or deed recorded prior to January 1, 1966 or an approved plat recorded after January 1, 1966 which has otherwise been legally created and which has not been altered to become more nonconforming since its creation, except by approval of the city plan commission.	Unmerging of the two substandard lots of record	Variance from the substandard lots of record and merger provision.

Staff Analysis:

Staff has reviewed this Application in consideration of the compatibility with the general character of the surrounding neighborhood, and the request does not impose undue nuisances and is not out of character beyond any uses on this site or within the surrounding area. The subject property and the surrounding area are primarily residential in nature and the request does not propose or encourage incompatible uses that would be disruptive to the surrounding area.

- The average lot size of the Auburn B-1 Zone is 5,000 square feet.
 - The subject lots are a typical size for the neighborhood and the majority of dwellings in Auburn are built on similar 5,000 sf lots.

Consistency with the Comprehensive Plan

- The Future Land Use Map (FLUM) designates the subject property as "*Single Family Residential Less Than 10.89 Units/Acre.*"
 - Per the Comprehensive Plan, the B-1 zoning district is an appropriate zoning classification for single-family residential land designation and development.
 - Staff finds that the proposed density (8.71 units/acre) conforms to the Future Land Use Map density designation of *Single Family Residential Less Than 10.89 Units/Acre.*
 - Staff finds that the Application is consistent with the Future Land Use Map designation.
- Staff finds that the following goals, policies, and action items outlined in the Comprehensive Plan pertaining to residential (re)development support the approval of this Application:
 - Goal H-2: Permit a variety of residential development types to achieve multiple community objectives.
 - Policy H-3: Enact flexible development standards that attain desired community objectives, but also provide a wide range of building types, uses, subdivisions, and site plans.
 - Policy H-6: Maintain a varied housing stock, with units of different age, size, and type that are affordable to a wide range of incomes.

Summary

Staff conclude that the proposal is compatible with the general character of the neighborhood, does not provide disruption or nuisance, and supports the goals and policies of the Comprehensive Plan which promote approval of a wide variety of housing types and flexibility in our development standards. Specifically, the Comprehensive Plan seeks to enable incremental development and enable the expansion of housing options in the City to meet demand, without disrupting the fabric of existing neighborhoods.

Recommendations:

In accordance with RIGL § 45-24-41(b) and Section 17.92.010(A) of the Zoning Ordinance, Staff finds this Application consistent with the goals and purposes of the Comprehensive Plan and is compatible with the general character of the surrounding neighborhood. Staff therefore recommend that the City Plan Commission adopt the Findings of Fact documented above and forward a **POSITIVE RECOMMENDATION** on the Application to the Zoning Board of Review.

Respectfully Submitted,

James S. Ray
