### 2023 REVALUATION - RESIDENTIAL DATA VERIFICATION REPORT

The City of Cranston is undergoing a city-wide Property Revaluation, and has contracted Vision Government Solutions, Inc. to complete the project. Data collection is a critical component in the process, and the City is utilizing this Data Mailer Form to help verify interior information of individual parcels.

**The City Assessor's office asks that you review your property information listed below and verify that all the information is correct. If corrections are necessary, please cross out the incorrect data and provide the correct information, and sign and return the completed form. If no changes are needed, please simply sign and return this form.**

The City thanks you for your cooperation, as this information enables us to ensure the accuracy of our records and valuations.

This form may be returned by mail or scanned and emailed.  
Return mailing address, and email address are listed on the top right of this form.  
**Changes cannot be made by telephone as a signed form is required for our records.**
